Rodothea Papachristoforou

Digital Media Design Student

Profile

I am Rodothea Papachristoforou and I am currently studying Digital Media Design at the University of Winchester. I am originally from Cyprus but grew up in the United Arab Emirates. I am an aspiring digital media designer and am currently developing my skills and knowledge in UI/UX Web Design, HTML & CSS as well as Javascript.

Experience

Intern, Engineering Solutions Electro Mechanical & General Contracting (ENGSOL), Abu Dhabi, UAE- 2018

Worked with different departments of the company. Through my internship I learned the importance of collaboration and communication between the employees and the departments within a business.

Talent academy, Price Waterhouse Coopers (PWC), Abu Dhabi, UAE- 2018

During my three days of training with PWC, one of the four largest auditing firms world wide, I partook in various activities to enhance my team working skills, presentation skills, problem solving skills as well as my communication skills.

Business course with Columbia Business School, Abu Dhabi, UAE - 2017

During my pre-colligate course with Columbia Business School, I learned about the importance of understanding the customer's needs when designing innovative products. It widened my understanding of the importance of market research in any marketing approach.
